RE: Victory Political Action Committee  
FEC ID C00344374

Gentlemen:

Please be advised that as in past years, the Victory Political Action Committee anticipates having very little overhead expense for the 2001-2002 election cycle; the committee has no plans to rent office space or pay any salaries. All administrative duties and work will continue to be provided on a volunteer basis.

However, any expense incurred will be reported as required, and please let me know if any other clarification in this matter is needed.

Sincerely,

Paul J. Bedinghaus, Treasurer
